

# CRAWFORD LIVESTOCK MARKET

## MARKET REPORT FRIDAY, MAY 23, 2008

Receipts: 893 head

Another big run of butcher cows & bulls, plus a good run of pairs this past week. Weighup market remains very strong. Pair market was steady with our last sale. Good buyer demand on all classes. Most of the pairs had young calves on them. We finally have gotten some good rain in the area & we hope everyone was as fortunate.
