

# Crawford Livestock Market

## MARKET REPORT - FRIDAY, JANUARY 8, 2010

### SPECIAL CALF SALE

Receipts: 3,550 Head

A very cold day on Friday & over 500 head did not make it to town, but those that made it sold on a very good market. I'd call the overall market \$4-\$5 higher & instances \$10 better. Thanks to all the consignors for the quality of your calves that you marketed last Friday.

Small run of cows this week due to the cold weather, but I'd have to call the cow market \$2-\$5 higher also. Bulk of the better cows \$46-\$52. High yielding & cows going back to the country \$52.50-\$59.75. Few young hfredettes over \$60. Yearling Hfrs \$76-\$87.50. Low yielding cows \$41-\$45.75. Shelly cows \$35-\$40.75. Bulls \$49-\$58.
