We had a great sale on Friday, March 13th. It was so nice to be back in the swing of things. We missed everyone more than we realized. We had a nice crowd of people in the stands with amazing activity on the internet! We had some really nice loads of cattle and plenty of package trade.

The market has also been reacting to outside pressures such as higher grain costs, volatility in the futures markets, uncertainty around beef demand, and packing capacity. Those factors have created daily swings even though the overall trend remains strong.

We still need cattle. We still need to feed America. And we need to remember how truly blessed we are to live in the greatest nation on Earth.

Thanks to our customers, buyers, and crew. You all mean so much to us!

See you next week on Friday, March 20th for a Special Weighup Sale! ~Rich & Alicia
