

# Crawford Livestock Market

## Spring

Market report for Friday, April 19<sup>th</sup>, 2024. We sold 3,304 head for the day consisting of roughly 290 head of weighups and 41 Red Angus bulls and the balance being feeding cattle and replacement quality heifers.

Feeding cows were steady at \$128-\$139. Slaughter cows were off a bit from last week but still sold well at \$111-\$133.50. Small numbers on thin, gimpy cows brought \$100-\$109. A few packages of young cows were \$142-\$179. Top end of the slaughter bulls were \$138-\$157. A few cutting bulls were \$150-\$182. Heiferettes on a light run were \$165-\$182.

At noon we featured the 20<sup>th</sup> Annual Red Western Red Angus Bull Sale. We had nice in house participation and active online bidding as well as several bidders on the phone. They sold 41 quality Red Angus bulls averaging \$6499 with the top bull bringing \$24,000. 12 head of fancy Red Angus replacement quality heifers brought \$2400 a head.

After the bull sale we sold feeder cattle for our annual Back to Grass Special and for the first time in several years we had nice moisture and the grass is coming!

We had our loyal buyers in house and they came to do business. Our online support was tremendous again with many instances of multiple bidders online bidding on the same group of cattle. We sold some fancy big steers and had 3 loads earn the "Stick out Sale of the Day", according to our friend Corbitt Wall on his Monday Feeder Flash. It was a great day and we want to thank our consignors very much for the business and our buyers for their continued support and our top notch crew for another hard days work!
