Friday, October 31st Market Report

Market Report - Friday, October 31st - Special Calf Sale 🐂

The market opened up this week with quite a bit of **volatility**, but we got along just fine with the groups we had today. There was **plenty of package trade**, and while the **live cattle market** continues to bounce around, demand remains solid and buyers stayed active all day long. And on this Halloween, we had only TWO employees that had the spirit and dressed up!

We want to give a big **thank you** to all our **consignors**, **buyers**, **and our hardworking crew** who help make every sale run smoothly. We're proud to do what we do — right here in **the best country in the world**, surrounded by the best people in the cattle business. ~Rich & Alicia
