Market report for Friday, June 2, 2023. We sold 1080 head for the day with roughly 380 head of weighup cattle and the balance being feeder cattle. Cows going on feed were \$102-\$116. Better end of the slaughter cows were \$96-\$106. Lower yielding cows were \$85-\$96. The bulk of the good bulls were \$116-\$129 with the big bulls weighing over a ton mostly \$118-\$127.50. Heiferettes were \$126-\$169.

Feeder cattle market was really strong, with more heifers available than steers. We had active buyer participation in the seats and on the phone with great internet support throughout the day. We want to give a big thanks to our customers, buyers and crew for a successful sale. We will be off June 9th but back at it June 16th with weighup cattle in the morning, and our Spring Legend Buttes Horse Sale after lunch.
