We hosted Stagemeyer’s 3rd Annual Bull Sale again this year and were very pleased to have them here—what a wonderful family!

The Angus bulls averaged \$9,866, Herefords \$6,300, and the Chars \$5,500, bringing the overall average to \$8,659. What a day!

The only thing that could have made it better is a little rain—man, do we need it badly. Keep praying!

We’ll be back next week hosting the Oetken Angus & Norman Angus Annual Bull Sale. As always, we appreciate all the sellers, buyers, and crew who make these sales so successful!

We got along really well on the bred stock and pairs, which shows there is still quite a bit of optimism in our industry which is really a testament to who we all are in this line of work! Here is a look at the representative sales. Thanks all, we appreciate you all more than you know! ~ Rich & Alicia
