- **Cutting Bulls:** \$240-\$270
- **Baby calves:** 8 calves 800-\$1100

**It was another great day at CLM!**

We had a big run of weigh-ups today, including some late-breds, a few pairs, and a couple of dairy cows. The market is holding strong and steady, with excellent demand for beef.

We also had the pleasure of hosting Sellman Ranch's Annual 30th Anniversary Sale. How blessed we are to have had the opportunity to work with them all these years!

I've mentioned this before, but it's worth repeating, one of our competitors once said that when you look at Crawford Livestock's sale listings, you see the same names year after year, week after week. We consider that one of the greatest compliments we could receive. We truly appreciate the trust and friendship of all our customers.

Sellman's sale results were outstanding:

- Overall average: \$6,730
- Angus average: \$6,875
- Hereford average: \$6,600
- Top seller: \$18,500
- Top 5 average: \$15,600
- Top 10 average: \$14,050
- Top 15 average: \$13,130

We'll be back at it next week with our regular cattle sale, starting at 10AM then join us at NOON for the Red Western Red Angus bull sale, followed by a really strong lineup of high-quality feeding cattle.

We're hoping and praying for the rain we need, the sunshine to grow good grass, and the continued blessings that allow us to live this life we're so fortunate to be part of.

See you at the sale! ~Rich & Alicia
