

# Crawford Livestock Market

Market Report for Friday, January 19<sup>th</sup>. We had an extremely light run on weighup cows. With this weather we had to do some rearranging and rescheduling with the sale schedule. We had a good sale with a bit over 2,600 head. Some nice strings of quality cattle were in the offering. We had a full house with sellers and buyers in the seats and the internet played a big role in the sale as well. We will have another nice line up next week with over 2,500 head again. Thank you to everyone that buys and sells the auction way!
