

# Crawford Livestock Market

Market report for Friday, April 22, 2022. We sold a total of 2,836 head of cattle consisting of 416 weighups and 44 head of breeding bulls and the balance being feeder cattle. Good feeding cows were slightly off from last week but still strong at \$74-\$86. Top end of the slaughter cows were pretty much steady at \$73-\$86.50 with the next cut slightly off from last week at \$70-\$77.50. Middle of the road kill cows checked in at \$62-\$75 and lower yielding thin cows were \$50-\$61. Good big slaughter bulls were steady at \$103-\$109 and a big run of cutting bulls brought in between \$125-\$141. Heiferettes on the day were in the \$82 to \$111 range. A nice Holstein bred heifer went for \$3050!

We had a nice turn out for the Red Western Red Angus Bull sale, selling 44 bulls that averaged \$5,653 with the top bull bringing \$11,000 and the second high selling bull fetching \$9,000. We want to thank the Grill families for their hard work and dedication in providing our Red Angus customers with a consistent bull supply.

We had an active feeder sale despite continued dry conditions with good buyer participation in house and sold several cattle on-line as well.

We were strong on good grass heifers but also saw a lot of demand for them as well. A couple of pot loads of big steers sold as well as anywhere in the country on that day. Representative sales:
