

# Crawford Livestock Market

Market report for Friday, January 26<sup>th</sup>. We sold a total of 3,134 head on the day with 340 weighups and the balance being feeder cattle. The cow market was sharply higher this week with a lot of good cows in the offering and grinding meat in high demand. Cows going on feed were \$99-\$112.50. Higher yielding slaughter cows were \$88-\$111.50. Thin, lower yielding cows were \$75-\$86. Young cows were \$108-\$121 and heiferettes were mostly \$122-\$150. A very light run of big slaughter bulls brought \$106-\$120.50.

We had a spectacular line up of calves this week featuring some big, fancy strings of steer calves and nice packages of heifers throughout the afternoon. This market continues to trend higher and we had active bidding in the seats and we were on the phones taking many bids. We finished January on a very productive note and are optimistic moving forward. We want to give a big thanks to our loyal crew, that worked hard for making another sale run smooth. A bigger thanks to our buyers who show up week after week to purchase the cattle. And the biggest thanks to our customers, because if it weren't for you, none of this would happen!
