

# Crawford Livestock Market

Market report for Friday, March 17<sup>th</sup>, 2023. We sold 2234 total head including 318 weigh up cattle and the balance consisting of feeder cattle. We had more cows this week going on feed than in recent weeks and they were stronger bringing \$89-\$98. Cows going to slaughter were steady with the top end brining \$84-\$96.50. Lower yielding cows were \$76-\$84. Thin, flawed cows were mostly in the \$60's with a few breaking into the low \$70's. Big, sound bulls were \$105-\$120 with gimpy, lower yielding bulls pretty much \$90-\$99. A good run of heiferettes saw the best end bringing \$106-\$138 and the next cut \$99-\$105.

We had a nice run of feeder cattle with very competitive bidding in the stands and quite a few new buyers online securing cattle as we keep moving towards spring with a high hope of green grass and a good start to summer as our area gets melted out from a challenging winter. We had a very nice offering of both grass ready cattle and bigger cattle ready to go on feed and buyer support for both kinds.

We want to thank our producers for getting cattle to town and we truly appreciate our crew working through another windy, cold, miserable day. And thank to our buyers for coming to our barn to help make a successful market. We will be back next week, March 24<sup>th</sup> with an anticipated nice run of weighup cattle and will start at 11AM!
