

Crawford Livestock Market

Friday, May 22nd Regular
Cattle Sale & Special Pair &
Late Bred Sale
Market Report

We had another big run of weigh-ups today, with so many cows coming to town each week. We've decided to continue holding sales every week through mid-June, so please stay tuned to our website for the most up-to-date sale schedules.

While conditions are still very dry, we did receive some much-needed moisture in our area. We're hopeful this is the beginning of a larger cycle of rain across our wide drought-stricken region.

We had more pairs than we typically see this time of year, though numbers were down from last week, which is a positive sign. Once again, many of our pairs went out of state, traveling to Iowa, South Dakota, Wyoming, Kansas, and Minnesota.

The market for slaughter cows and bulls remains extremely strong, showing that demand for U.S. beef is alive and well.

Thank you so much to our consignors, who have become not only customers, but friends and some of the greatest people we get to know. Thank you as well to our buyers, who show up each week and help keep the market in our barn so strong.

And have I mentioned our wonderful crew lately? They're the best in the universe!! See you next week for a big run of some high quality feeders with over 3,000 head in the offering.
