What a difference a couple of weeks makes! From our last sale to this one was nearly a 100-degree swing. Yesterday was an unusually beautiful February day — 68° here in Crawford, NE.

Demand remains strong, and cattle numbers for trade our part of the country are slowing down. We sold close to 1,600 head for the day. The weigh-up market is holding steady to a couple dollars higher in most classes. We had a nice run of feeders with several quality loads in the offering, along with plenty of package trade. While prices are strong, heifers are still a bit behind where we'd like to see them.

We appreciate our consignors, buyers, and crew alike for making this such a great profession to be part of. Thank you to everyone who likes and shares our information — it's one of the easiest ways to support a local business.

Reminder: We are off next Friday, February 13th.

Thanks for reading our honest market report. Have a great weekend, enjoy the Super Bowl, and remember millions of Americans will be firing up grills and snacks, eating *billions of burgers, wings, hot dogs, and steaks* — we can't help but tip our hats to how cattle and beef play a huge role in America's biggest food day of the year. 🍷🍔🍟🍌🐄🍷
