Market report for Friday, March 3, 2023, We sold 1561 head for the day. We had 288 head of weighup cattle, 19 bred heifers and the balance being feeder cattle. Cows going on feed were higher bringing \$85-\$97. Best slaughter cows sold for \$90-\$95. High yielding cows \$91-\$97. Lower yielding kill cows were \$76-\$85.

A very light test on heiferettes were \$95-\$120. Another big run of bulls this week resulted with the main cut bringing \$104-\$114 and the big high yielding bulls going up to \$118.50.

We had very good buyer support in the seats for the feeder portion of the day despite another unpredicted wintery morning! We want to say thank you to our buyers that navigated the slick roads and our crew that worked through a challenging day and most importantly our consignors that had to do both!

We will be off next week, March 10th but back at it on the 17th with another nice run of feeder cattle.
