

Crawford Livestock Market

Market report for Friday, July 16, 2021. We sold a total of 1056 head today consisting of 197 weigh up cattle & 859 feeder cattle. Our weighup market was steady to \$2 higher across the board compared to last sale. Thin, shelly cows were \$73-\$76.50 on a light test. Cows going back to on feed were a buck better at \$62-\$74.50. The bigger, heavy fleshed cows were mostly \$67-\$75. The large cows over 1500# were \$67-\$76.50. We sold 96 head of bulls with the main cut being \$3 stronger at \$89.50 clear up to \$101! The heiferette market was on a light test for sure but fetched \$80-\$89. Dry conditions are forcing some yearlings to town earlier than planned. We managed to be in the top 25 in the nation for the day. We had active participation in the seats and our online support was tremendous. All in all we had a strong sale and our market is pointed in the right directions. We truly appreciate your support and look forward to working for you in the future, please give the office a call to get your calves consigned for our Fall sale season or if you'd like one of our guys to come out to your place and give you a visit!
