

# Crawford Livestock Market

August

Market report for Friday, August 25, 2023. We had a light run of weighup cattle with just over 100 head on the day. Top end of the slaughter cows were \$115-\$125. The next cut of cows were \$102-\$115. Low yielding cows were \$92-\$100, on a limited supply. A good run of bulls had the top end at \$117-\$126 on the bigger bulls and \$106-\$124 on the lower yielding bulls.

We had a nice run on the yearlings today, with great buyer attendance in the seats and tremendous support online. Thank you to our loyal consignors, buyers and crew for the great day!
