Market report for May 14, 2021

We sold a total of 1003 head consisting of 502 weighup cows and bulls, 97 bred cows and 202 pair. The weighup market was mixed this week with the lighter cows being softer but the big fleshy cows bringing more than the previous Friday. Cows weighing 1000-1100# were \$5 to \$6 weaker ranging from \$61 to \$90. The bulk of the cows weighing 1100-1300# were off \$4 to \$8 bringing \$60 to \$78. Cows weighing 1300-1500# were steady to \$2 higher bringing \$63.-\$75.50. The big end of the cows weighing 1500-2000# were \$1-\$2 better in the \$69-\$74.25 range. The main cut of the bulls weighing 1500-2000# were \$2-\$3 stronger fetching \$88.-\$95.50. Cutting bulls were stronger too. On a light test with the top end of \$104.50. A very light test of heiferettes were steady with the main group bringing \$85-\$97. We had nice crowd participation and online support for the bred and pair portion of the sale. Continued dry conditions forced some stock to town sooner than our producers would have liked.
