

# Crawford Livestock Market

Market report for Friday, March 18, 2022. We sold 432 head of weighup cattle and 1062 head of feeder cattle. The weighup market has been trending up and this week was no exception. The top end of the good feeding cows were higher ranging from \$76-\$89.50. Stronger by up to \$4 from last sale. The better end of the kill cows was steady at \$74-\$83.50. The next cut of kill cows averaged \$72.50. The slaughter bull market was steady and strong with the big bulls selling from \$106-\$113.50. The smaller good cutting bulls went clear up to \$160 but averaged in the mid \$140's. The heiferette market was better by a couple of dollars in a wide range from \$97.50-\$117.

We had a nice offering of feeder cattle this week heavy on the heifer side. Our buyers in the seats were active and internet bidding was strong as well. The feeder market was right in line with the surrounding area results for the week with a stronger undertone compared to last sale. We will be back next week selling weighup cattle at 10am, then we will sell Federle Ranch's 37<sup>th</sup> annual production bull sale & replacement heifers sale at 12:30pm. We want to thank our valued customers for their continued support and loyalty. We hope you have a wonderful week and we'll see you next Friday!
