We had a light run of weighups today, which is pretty typical for this time of year as the country starts to get a little purged out. We are praying hard for our friends and neighbors in the Sandhills and hoping for rain in the worst way.

There is still a strong demand for slaughter cattle, so the weighup market remains strong.

We will be back next week for another weighup sale, along with some bred stock and pairs. We will also kick off our bull sale season with Stagemeyer Cattle Co.'s 3rd Annual Bull Sale.

Sale times for next week:
Weighups at 10 AM
Bulls at NOON
Bred Stock & Pairs to follow
