

# Crawford Livestock Market

Market report for Friday, July 30, 2021, We sold a total of 822 head consisting of roughly 262 weigh up cattle and 560 yearling steers and heifers. The weighup market was steady to as much \$4.50 higher in some classes on cows and bulls followed suit holding steady to \$2 stronger as well. Thinner low yielding cows were up to \$4.50 higher bringing \$67-\$79. Cows going on feed were slightly higher at \$68-\$75.50. Big, heavy fleshed cows were \$2 higher at \$68-\$78. We sold 98 bulls today, and overall were steady to \$2 higher, with the bulk of the big bulls steady at \$89-\$99. Heiferette market was barely tested but ranged from \$88-\$95. The yearling market continues to trend upward. Buyers in the seats were active and our on-line support continues to be strong. We had nice strings of heifers this week. Two of our consignor's results cracked the top 25 in the nation for the day. Scott & April Delsing's 70 head of guaranteed open heifers weighing 680# brought \$155.25 and Martin & Lois Hanley's 68 head of pregged open heifers weighing 805# at \$150.25. The bigger black pregged open heifers just over 1000# ranged from \$136-\$140. The steer market was limited to mostly package trade bunches on limited numbers. Top end of the steers weighing 835# checked in at \$150.50 on a small lot. The yearling market overall is gaining momentum and we feel optimistic for the near future. We will off next week for county fairs, but have a nice sale scheduled for August 13<sup>th</sup>. We have close to 10,000 head for our Cheyenne sale for Western Video Market on August 16<sup>th</sup> & 17<sup>th</sup>, and as always appreciate your continued support.
