

Crawford Livestock Market

Market report for Thursday, October 28th and Friday, October 29th. We had another big run of weighups this week selling 1321 head. The good big feeding cows were fairly steady this week but low yielding, thin cows were under a lot of pressure. The better end of the cows were mostly \$65-\$74 with high yielding cows at \$75-\$83. The next cut of feeding cows were \$57-\$64. The higher yielding kill cows brought \$52-\$56 and the lower yielding cows were \$45-\$51. The thin shelly cows were \$35-\$44. Bulls were mostly \$82-\$90 with thin bulls bringing \$65-\$81. Heiferettes were \$85-\$105. Yearling heifers weighing 900#-1050# were \$135-\$144 and heifers in the 750#-899# weigh range were \$140-148. We sold 4520 calves on Friday with nice in house support and a lot of online bidding activity.
