

# Crawford Livestock Market

Market report for Friday, September 10, 2021. We sold a total of 1,909 head consisting of 201 head of weighup cattle and 1,708 head of feeder cattle. The weighup cow market was steady to \$4 higher from last sale. Thinner, low yielding cows were steady at \$60-\$75. Cows going back to the country were \$4 stronger at \$64-\$74 and the big fleshy slaughter cows were \$3-\$5 better at \$70 to \$78. The bull market was steady with the last sale with the main cut bringing \$79-\$89 and the big bulls fetching \$80-\$88. A light test on heiferettes saw the majority bring \$79-\$90. We had a nice line up of feeders this week with a lot of repeat customers bringing their quality stock to the auction. Solid in house bidding with timely internet activity helped us have 4 of the top 25 results in the U.S. for the day. Steers weighing 700#-800# were mostly \$159-\$166. Steers at 800#-900# were mostly \$141-\$148. The bigger steers at 900#-1000# brought mostly \$146-\$154 and the big steers weighing 1000#-1100# were mostly \$138-\$144. On the heifer side we saw 700#-800# bringing \$149-\$156. 800#-900# were \$141-\$148 and the big 900#-1000# heifers were \$134-\$139 for the day. Overall it was a good sale for the market, but the futures losing as much as ten bucks in 2 week across the board did put some pressure on our results. We want to thank everyone that took the effort to come to town on a 100 degree day in September. We have a regular sale scheduled for the next week and a cleanup yearling sale and spring calf sale for September 24.
