13 Mason

2010 Gelding ~ 16.0
Grade Draft/QH Cross

North Texas Horse Company (970) 616-1275 ~ Poolville, TX

Mason is truly the REAL deal. He is easy to ride, and truly safe for any level of rider. He's pushed cows, pastured roped, seen countless trails and takes new surroundings like a champ. We took him to the legendary Fort Worth Stockyards for the VERY first time in his life, and he didn't bat an eye at a SINGLE thing. Mason was gentle around all things loud and crazy, from random the bar hoppers waiting to grab a selfie, to the loud motorcycles and souped up cars showing off on a busy weekend night. He rides two handed but will definitely neck rein when using leg cues to assist. He is not a speed demon, but is not a lazy hippo either. He goes the very speed you ask of him and will stop when you tell him to without the need to yank or pull hard! During the day Mason stays turned out on 40 acres and is a dream to catch. He loads and backs out like a champ and never paws or worries at the trailer. He's great for the farrier, great to lead, calm to brush and pick hooves, and gentle in every way.

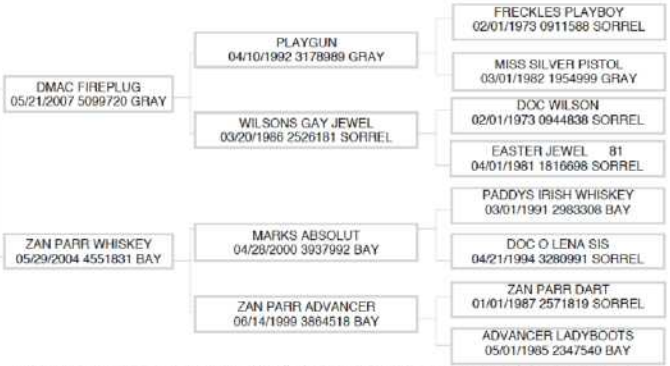
2015 Gelding ~ 16.0
AQHA #5798086

Ty & Emily Clawson (720) 984-5616 ~ Kaycee, WY



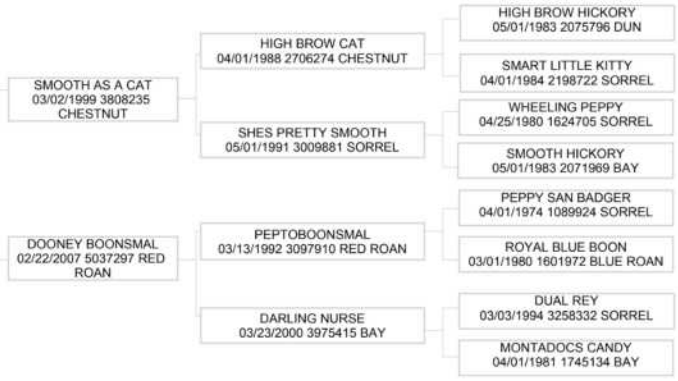
Gunner is a gelding that anyone can enjoy. Gunner is a well built horse with a solid confirmation and incredible athleticism. He is a smooth ride both in the arena and around the ranch. His gentle demeanor and disposition would be suitable for most riding levels and you can count on him to be the same honest horse every time you saddle him. He's a great family horse you can trust with the wife and kiddos. Turn him out for any period of time and trust you still have a solid mount when you step back on. He has seen and excelled at all jobs across the ranch and seen time in the arena too. He's quick to cattle in the pasture and reliable to give you a good shot. Can handle team roping and has picked up a handful of bucking horses as well.

Doon It Smooth

2016 Gelding ~ 14.1
AQHA #5773413

V Lazy Y Quarter Horses (308) 665-5703 ~ Harrison, NE

19



"Doon" is a flashy cutting horse. He was formally trained by Frederick Performance Horses as a 3 year old in Reined Cow Horse until he came home to work on the ranch. He sorts cows and is a blast to cut on. He would make an excellent High School Cutter. He's also been used by our kids in the heeling and breakaway. He is very broke!

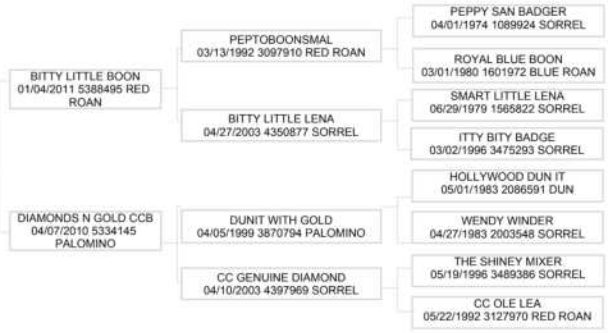
Cody & Robin Scherbarth (308) 360-3583 ~ Chadron, NE



Bonnie is an easy ride. She neck reins easily and is a joy to work cattle both on the ranch or in the arena, as she is keen on a cow. Bonnie has great speed control, rides on a loose rein, and will absolutely drag her hind end when asked for a stop. She has drug tons of calves to the fire, been night calved on, traveled rough country, roped cattle in the pasture and drug yearlings into trailers. She easily navigates any terrain from rocky to sandy, logs, water crossings and bridges. She never gets fresh no matter how much time off. She works a gate from either side and has been used at the salebarn. She has even carried flags in a PRCA rodeo. She ground ties reliably. She is gentle for anyone. School Bus

2010 Gelding ~ 15.1
Grade Quarter Horse

23

Sam Rothrock (314) 650-8976 ~ Medicine Bow, WY

School Bus has been my go-to ranch horse for the last 3 years. Within the first 2 months of owning him, I took him to a Buck Brannaman clinic in Cheyenne and things have only gotten better since. This horse has been to the top of the mountain; and stuck in a mud hole one day that I didn't think he was going to get himself out of. He has good hard feet that last and is nice for me to tack shoes on him if need be. He has roped cattle of any size; when it was fun and when it was not. This is the kind of horse that if you have no idea where the day might take you, you'll be thankful you brought him by the end of the day.

Monolito

2016 Gelding ~ 14.0

Monolito is a 6 year old quarter pony and stands 14 hands. Has been used on the ranch. Has been rode by the boys (ages 6,7,9). We feel he would be a better fit for a experienced kid, as our boys ride a lot on the ranch. Has done all aspects of ranch work on him from calving, doctoring yearlings and cows, branding, pairing out, and riding down the trails. The boys have rode him around bareback.
This little dude will walk out and cover some country.

25 Rickie

2016 Gelding ~ 15.2
Grade Quarter Horse

Tanner Willey (308) 279-0158 ~ Bayard, NE

Rickie is a 6 year old gelding that we use for EVERYTHING. He is 100% sound and really likes to travel out. He is an open country kind of gelding that is going to really get you places. He pulls like a draft and is every bit of athletic as a small horse. We have used him for team sorting, ranch rodeos, branding, doctoring bulls, and roping the hot heels. There really isn't anything you can't do on Rickie. He has a huge stop and will keep a rope tight. He ground ties and is hobble broke. He also has hard black feet on all corners. This gelding would make an outstanding breakaway or team roping horse. He loves to sort and has a lot of cow sense. If you have any questions, do not hesitate to call Tanner @ (308) 279-0158

Bought as a weanling and broke myself. Very smooth riding and has a good stop. Tucks his nose and backs up very well. Neck reins fairly well but needs more miles. Sure footed but can tend to be watchy, very alert of surroundings. Has been to only a couple brandings dragging calves. Has done some sorting and watches a cow well. Only roping he has done is in the branding corral, has tracked a few steers in the roping pen, but has not done any serious team roping on him. Stands good for trimming. This horse has a lot of heart and potential and picks up on things quickly I just do not ride as much as I used to due to a career change. He just needs a job and someone to finish him out.

This mare ages beautifully. You can pull her out of the pasture anytime and rope anything you are brave enough to throw a rope at. She is a gritty ranch horse who can still handle a days work. She is very broke and gentle and great for expereinced kids looking for a step up horse to go with their dad on long days. She stays broke no matter what and is always eager to go to work.

Grade Quarter Horse

Aden Borntreger (307) 281-2273~ Hulett, WY

68

Smokey is a really nice head horse. If you want a head horse that can really run you've found him. He has a lot of run and rate even a slow steer. Good in the box, will back into the corner and stand flat footed. But I would recommend a experienced rider as he is strong, but sensitive and controllable. Has drug calves to the fire. If you need a fast horse for the big circle gather he is the one. Please call his trainer Raymond for more info. (307) 467-5343

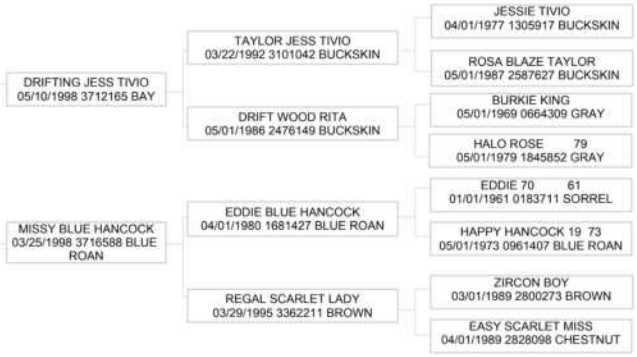
2006 Gelding~15.2
AQHA #4793097



"Puncher" has been a ranch horse his whole life. Got him as a baby. Has done every aspect of ranching from doctoring yearlings, branding, calving, etc. Has always been my most reliable mount for the hard jobs. Very tough, can go all day. Very cowy and neck reins very well. Has been team roped on, head and heel, been to local jackpots and won money. He is very quiet in the box. Has been in a couple ranch rodeos too. Solid black feet. One of the good Hancock horses, very honest. Experienced kid would get along good with him. Not a crawl all over dead head horse, but level headed.

Been there done that kind of guy. Granddaughter used him for barrels, poles, key hole and goat tying. Used at sale barn, feedlot, brandings and outside roping. He has been ridden both double by kids and by my 85 yr old dad. He rides just the same if you ride him daily or if he gets weeks or months off. Absolutely NO BUCK.

Cisco is a 2018, grade gelding. He stands 15.1 hands. His sire is Chex Hot who goes back to Nu Cash. His dam is a daughter of Scotts Starlight, who goes back to Colonel Freckles. I was unable to register his dam is the only reason he is grade. Cisco has been used extensively on the ranch. He has drug calves to the fire, doctored outside cattle, paired out on, sorted, and put in many miles, and wet saddle blankets. He has been rode in a feedlot and will open gates, sort one calmly and collected out of the pen. He will really watch a cow, and step in front of one in the alley. He is good to doctor outside on with help, or by yourself. He will work a rope and hold one down. He runs to cattle flat, strong and without loosing his head. He has been being rode outside all winter and spring doctoring rye and cornfield cattle. Cisco is big, stout, and that beautiful buckskin color. He is good to shoe, stand tied quietly, has been around dogs. He has a big pet mentality.

He has all the basic knowledge including walk, trot, lope (in correct leads), stop, back, side passes both directions, opens and closes gaits, walks over objects without issues, soft and supple in the face, moves off leg pressure. He has had minimal cattle exposure but he did not seem to mind when he has been around them. He has been around a rope and has had it swung around and off of him but has not been roped on. Grade Quarter Pony

87

Micki Votruba (308) 430-2605~ Hemingford, NE

Coke is a 10 year old quarter pony that stands 14.2 hands. His color makes him an eye catcher. He has been ranched on by us for the last two years and prior to that was used in the mountains in Montana on a sheep ranch. Our oldest daughter gets along good with him so I would say he would make a good step-up horse for a young rider. He would also be a great ranch horse or trail horse for someone that just needs a horse that's a little easier to swing a leg over that will still tie a cow down when you need him to!

"Wild Bill" is anything but wild, but he is sure to be a legend like "Wild Bill Hickock". This neat prospect was the easiest colt we have halter broke and he is light on his feet. Many of his siblings have gone on to very successful rope horse careers. They are stout horses with tremendous foot and good cow sense. He should be able to stop and run and rate with the best of them. He is gelded, had his wolf teeth out, feet trimmed, stands tied and can be ponied. He is easy to catch. We are proud to offer this nice, foundation bred colt that is a clean slate for someone to make a great horse! All the hard work is done and he is ready to start.
