

Crawford Livestock Market

Market report for Friday, April 26, 2024, We sold 385 head for the day. Weighup market was steady to stronger across the board. Feeding cows were stronger at \$132-\$145. Top end of the slaughter cattle were steady at \$127-\$133. Lower yielding cows were \$110-\$119. Gimp, flawed cows brought \$98-\$107. Young cows were \$140-\$180. Heiferettes were \$155-\$190. Light slaughter bulls were \$147.50-\$150. Little cutting bulls were higher with most bringing \$193-\$230. A few fat, heavy fed cows went as high as \$169.50!

We had the opportunity to sell bulls for the Stagemeyer Cattle Company all the way from Page, Nebraska. Twenty-Two quality yearling Angus bulls averaged \$6561 with the top bull bringing \$16,000! We were glad to host the bulls this week and look forward to working for them again next year.

We had packages of bred cows and pairs and they sold well considering most operators are pretty well set on numbers for summer grazing. Once again we couldn't do what we do without our many consignors, our loyal crew and buyers that show up rain or shine!
