We had a lighter run of weighups than last week with 10 weighup buyers in the seats. The market was steady to a tick lower than last week. We had a beautiful week of weather which is very conducive for the cow work for the week. Young cows are in high demand and even the older cows brought good money, but those with flaws were reflected in the price. We greatly appreciate the continued business and loyalty of our consignors, buyers and crew! We couldn't do it without you guys! ~Rich & Alicia
