We had a brisk, wintery day in Crawford for our Friday, December 12th sale. The weigh-up market was similar to last week, with some classes lower to steady, while other classes were \$10-\$12 higher.

We saw a big crowd for our bred cow sale, with strong participation from local buyers as well as buyers from multiple states, including South Dakota, Wyoming, and Colorado. There was also plenty of online activity on both platforms we offer—CattleUSA and DVauction.

We want to sincerely thank everyone who stopped by today—our hardworking crew, our consignors who trust us to market their cattle, and the buyers who show up in the seats, work through order buyers, or bid online. Thank you as well to those who stopped in the café to grab a bite and warm up with good food and even better company, and to everyone who shopped at the Salebarn Boutique.

We appreciate each and every one of you from the bottom of our hearts.

Rich & Alicia
