Market Report

- Weighup Cattle: 260
- Feeder Cattle: 1000

We had a great run of weigh-ups today, backed by another strong and outstanding market! We've also been fortunate to receive some much-needed and welcome moisture this fall in our area. With strong markets, solid leadership, and good conditions, things are looking very positive across our industry.

We’re excited to kick off our fall run next week with **Thursday weigh-up sales**. These sales will feature **odd yearlings, late-bred cows, bulls, and cows**. Please note: **calves will ONLY be sold on Fridays**.

We feel incredibly blessed to live in the greatest country in the world, and we’re honored to serve the backbone of this nation—the **producers who feed the world**.

A heartfelt thank you to our consignors, buyers, and our hardworking crew. We couldn’t ask for a better group of people.

See you next week! ~Rich & Alicia
