Market report for April 9, 2021, we sold a total of 284 weighup cows and bulls and 133 Black Angus, Simm-Angus & Hereford Bulls for The Sellman Ranch.

The weighup market was steady in some categories and a little weaker in others. The best end of the cows brought \$67-\$79 in line with the average for the previous week. The next cut of cows were softer bringing \$64-\$71, back a couple dollars on the top end. The dominant weight class of 1100#-1300# was stronger topping out at \$81, \$2 bucks higher than last week. Thin shelly cows were better by \$2-\$4. Heiferettes continued to be strong averaging around \$85 but going all the way to \$107. The main cut of strong sound bulls topped out at \$90.50 with big bulls going to \$91.50.

We had a full house and tremendous participation in the seats and on-line for The Sellman Ranch Annual Performance Sale. With last year in the past it was great to be back to “normal” We sold 133 bulls for the Sellman’s. The top bull commanded \$16,500 with the runner up fetching \$14,500! Throughout the bulls averaged \$5,585. It was an awesome outcome after a wintry start to the day. We were happy to have the opportunity to work for them and look forward to next year. We are switching gears next week and will be selling feeder cattle and are expecting 2,500-3,000 head. We thank everyone for the continued support and hope to see you at the auction!
