Friday, October 24th Market Report

The market trend continues to be volatile with negative commentary coming out of Washington, D.C. With this being the fourth Friday in October, the feedlots are filling up — and the market is reflecting all of these factors.

That being said, we still got along pretty dang good at our sale on Friday, October 24th, here at Crawford Livestock. We had another strong run of quality cattle, and we’re continually reminded how fortunate we are to work with the best customers and buyers around. Your loyalty and trust mean the world to us.

A big thank-you goes out to our hardworking crew — they show up early, stay late, and keep things running smoothly no matter how busy the day gets. It truly takes everyone pulling together to make each week a success.

From all of us at Crawford Livestock — Rich & Alicia Robertson and the entire CLM team — thank you for allowing us to serve you. We’re grateful to do what we love alongside such great people!
