

**Friday, January 12th-Regular Cattle Sale & Special Bred
Cow & Heifer Sale
10AM on Weighups & 12:30PM on Bred Stock**

	<p>Market report for Friday, January 12, 2024. On a frigid day we had a very light run of weighup cattle with not enough in any given class to establish a market, with only having 60 head total. We had a really good buyer turnout in house, on the phones and also online for the bred portion of our sale.</p>

All vet work will be done in our yards by Alliance Animal Clinic and will be sorted for size, color and calving periods.

Terms and conditions of bred stock: the listed bred cows and heifers have been preg checked within the last week. They are safe in calf when going through the ring at Crawford Livestock Market. If there is any recourse pertaining to preg or mouth after leaving Crawford Livestock Market, it must be done within 7 (seven) days of the sale. What both cows and heifers are exposed to in conjunction with calving dates and calving periods will be announced with the information provided to Crawford Livestock by our consignors. Crawford Livestock is NOT responsible for and does not make any guarantees about calving dates or bulls they are mated to. Any adjustments which should occur regarding bulls, calving days and calving periods are strictly between buyer and seller.
