

Crawford Livestock Market

Friday, May 13, 2022 Regular Cattle Sale & Special Bred Cow & Pair Sale

Market report for Friday, May 13, 2022. We had another good run of weighup cattle this week selling close to 500 head and an outstanding offering of pairs and several nice packages of late spring calving heifers and cows. All total for the day we saw 1510 head go through the sale ring. The weighup market was steady with last week. The top end of the good feeding cows were \$73-\$84.50. The best of the slaughter cows were \$64-\$81.50 with the next cut bringing \$66-\$76. The thinner lower yielding cows brought \$51-\$69.50. Another nice run of killer bulls this week with them selling from \$103.50-\$117.50. A pretty good run of heiferettes at \$91-\$119, right in line with last week.

We had a good turn out for the bred and pair portion of the day and nice interest for our late season all classes bull sale. Some recent wide spread moisture has got the grass started and our pair market was very strong. We want to thank our sellers and buyers as well as our crew for another successful week. We'll see you next Friday!
