We had another great sale this week at our 46th Anniversary Sale here at Crawford Livestock Market!

Just a little backstory — while CLM has been around since the 1930s, it’s been in the Hunter family (now Robertson 😊) for 46 years and counting. We're proud of that legacy and just as committed today as we were all those years ago.

The cattle market continues to hold strong across the country, with records being set and broken at barns week after week. We’re seeing prices that we’ve simply never seen before.

This week, we ran just under 5,000 head of bawling calves through the ring. We were anticipating more, but several consignors decided to hold back their heifers.

As for the market tone:

- 6 weights and up were a couple dollars back from last week.
- 5 weights and under continue to trend upward.

We’re lucky to work with some of the best cattle and buyers around, and I truly believe our stellar crew sets Crawford Livestock apart from the rest — in my very biased opinion, of course!

Thanks again to all our consignors, buyers, and friends for making this a fantastic week and a memorable anniversary sale. Here’s to the next 46 years!

Here is a look at the representative sales:
