

Crawford Livestock Market

Market Report – Friday, November 15th

We had a successful sale, moving 1,017 butcher cows and bulls and 2,100 head of bred cows and heifers. The market remained steady to slightly lower, with prices generally down by \$2 compared to last week. Despite that, the barn was packed with buyers, and online bidding was very active through both CattleUSA and DVAuction.

- Butcher Cows:
 - Better end: \$128 - \$134
 - Next cut of good feeding cows: \$120 - \$127
 - Good kill cows: \$108 - \$119
 - Thin kill cows: \$95 - \$107
- Young Cows:
 - \$154 - \$204, with the majority ranging \$170 - \$190
- Heiferettes:
 - \$205 - \$217.50
- Bulls:
 - \$147 - \$159
 - Cutting bulls: \$187 - \$210

We also saw a super nice run of bred cows and heifers that sold on a very strong market, with plenty of interest both in-person and online.

Thank you to all our consignors, buyers, and crew for making this sale a great success! We appreciate your continued support.

Looking forward to seeing you at our next sale!

Terms & Conditions of Bred Stock The listed bred cows & heifers have been preg checked within the last week. They are safe in calf when going through the ring at Crawford Livestock Market. If there is any recourse pertaining to preg or mouth after leaving Crawford Livestock Market, it must be done within **7 (SEVEN)** days of the sale. What both cows & heifers are exposed to in conjunction with calving dates and calving periods will be announced with the information provided to Crawford Livestock Market by our consignors. CLM is **NOT** responsible or makes any guarantees about calving dates or bulls they are mated to. *Any adjustments which should occur regarding bulls, calving days and calving periods are strictly between the buyer and the seller.*
