**FRIDAY, FEBRUARY 18, 2022**  
**MARKET REPORT**

We sold 628 total head consisting of 306 weigh up cattle and 322 head of bred heifers and cows. The weighup market was steady to stronger from 2 weeks ago. The better end of the feeding cows was strong at \$75.50 to \$82.50, the better cows going to kill were \$66 up to \$75. The thinner, low yielding cows were \$56.50-\$68.50. We had a nice run of bulls this week with the bigger bulls bringing \$96-\$106.50. A good run of heiferettes this week ranged from \$82-\$100.

We had nice attendance and good buyer participation both in house and on-line for the bred portion sale. We topped out on solid mouth cows at \$1815 on a nice dispersion. We had another local, quality set of short solid mouth cows bring \$1525.

We are off next week and we will be back March 4 for a run of 1,500+ feeders. Thank you all for the continued business.
