

Crawford Livestock Market

Market report at Crawford Livestock for November 18th & November 19th. We sold 857 head on Thursday, the cow market this week was mixed with the lighter, thin cows being softer, but the fat fleshy cows being stronger from last week. Bulls were steady and heiferettes on a limited test were strong. The better end of cows were \$68.50-\$71.50 with high yielding cows going up to \$74. The next cut of feeding cows were \$65-\$74.50 with older cows going on feed at \$51-\$59. The better kill cows were \$44-\$49 and the thin, shelly cows brought \$31-\$43. Big, good bulls were \$71-\$90. The main cut of heiferettes were mostly \$85-\$91.

On Friday, we sold 2,750 head of quality feeder calves. Steers this week were steady to a tick lower on some weights but heavy steers were at a premium. Heifers were higher across the board from 2 weeks ago. On the day we had 4 of the top 25 results in the nation with a group of big steers weighing 837# commanding \$161.25! We had good attendance in the seats with active buyer participation from start to finish and very timely internet bidding throughout the sale. We want to once again thank all of our customers, buyers, and crew alike for all the support this year and years to come. Have a wonderful Thanksgiving with your families and loved ones.

Heifers
