

Crawford Livestock Market

Spring

Market report for Friday, April 21, 2023. We sold a total of 3,502 on the day including 383 weighup cattle. 42 Red Angus Bulls and 3,077 feeder cattle. The weighup market cooled off a bit this week, but is still strong overall. Feeding cows were \$92-\$106.50. Nice, high yielding slaughter cows were \$81-\$97.50. The next cut was \$75-\$86.50. Big bulls this week were \$103-\$120.50. Cutting bulls were \$109-\$140. Top end of heiferettes were \$137-\$152.

A nice turnout for the Red Western Red Angus Bull sale with an average on the bulls at \$4,387, thank you to Grill family for another year of hard work to produce another quality set of bulls.

We had a tremendous turnout for the feeder portion of the day. Buyer activity was active in house, and we had consistent, timely support online. We want to thank our local producers for making our annual Back to Grass sale a successful one, and to our buyers, thank you for hanging on all day (it was a long one) AND a special thanks to our crew, it was a cold, windy, miserable day and they all worked their tails off.
