 Big Steers, Bigger Prices: Crawford Cracks the Record Book  

Crawford Livestock Market (Crawford, NE) posted a standout sale on September 5, 2025, with heavy steer prices rewriting the barn’s record book. Leading the day was a group of 55 head at 1,009 lbs bringing \$347.00, a new barn record for 10 weights and the 4th highest 10-weight price ever recorded nationally.

Two more 10-weight sales—34 head at 1,085 lbs for \$332.25 and 13 head at 1,035 lbs for \$306.00—now rank as the 3rd and 4th highest in barn history. The 9 weights also saw a major move, with 111 head at 985 lbs fetching \$357.00, setting a new all-time barn best and marking one of four 9-weight sales to enter Crawford’s top 10.

The biggest mark came in the 8 weights, where the top eight sales ever at the barn were set, including 17 head at 822 lbs at \$365.00, 65 head at 861 lbs at \$362.00, and 59 head at 836 lbs at \$361.50. A strong day all around for big steers in Crawford. (Taken directly from National Beef Wire)
