

# Crawford Livestock Market

Market report for Friday, March 15<sup>th</sup> 2024.

We sold 475 head on the day with roughly 250 weighup cows and bulls & heiferettes and the rest being package trade of bred cows, pairs and feeder cattle. Weighup market continues to climb higher. Feeding cows up this week at \$123-\$137. Better slaughter cows at \$110-\$133.50. Lower yielding cows were \$99-\$116. A light run of young cows were \$130-\$180 while heiferettes were \$160-\$198.50 on the top end. Big bulls were \$136-\$156.50 with some dollaring out way over \$3000.

We had nice package trade on April calving bred cows and short term pairs. Feeder cattle sold well for small groups with 15 head of 806# replacement quality heifers bringing \$236. A wet, young, jersey cow calving the end of July for \$3500. Overall the market continues to climb higher and hopefully the trend has some longevity.

We will see you next week for Smith Angus' bull sale for the kick off sale of our bull sale season!
